EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Richard Ryan on 2/21/06.

The application has been amended as follows:

Claim 27: correct the dependency of this claim from "claim 27" to - - claim 24 - -

Claim 59: correct the dependency of this claim from "claim 59" to - - claim 58 - -

Pending claims 1-16,18,19,21-37 and 52-61 are allowed.

The following is an examiner's statement of reasons for allowance: Allowability of claims 24-37 and 52-61 were indicated in the prior action.

Claim 1 is allowable over the prior art because the cited closest prior art, Graham, does not teach the first and second chambers each having a filter, and the arrangement of the separated fluid going to the first chamber and contaminated fluid going to the second chamber.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
